Volunteer Opportunity:

The Portland-Western Columbia chapter of the Northwest EcoBuilding Guild is seeking volunteers interested in joining our Steering Committee to help us develop future green building classes. We also would like help with tasks such as the set-up and break down of our events, staffing the sign-in table, etc.

We are offering tickets to several volunteers interested in helping us at the 10x event (please contact Jeremy at 503-853-2496 for more details).
